

ATTACHMENT D – STATEMENT OF WORK

RONALD REAGAN PARKWAY

TOWN OF WHITESTOWN, INDIANA

This Statement of Work is executed as of the _____ day of _____, 2017 by and between the Town of Whitestown ("Whitestown") and ms consultants, inc. ("Contractor"). Whitestown and Contractor agree that all of the Services authorized by this Statement of Work shall be subject to the terms and conditions set forth within the Uniform Contract for Services for General Engineering Services between Whitestown and Contractor dated September 14, 2016 (the "Master Agreement"). Upon execution of this Statement of Work, the Master Agreement shall be incorporated into and be considered a part of this Statement of Work as if set forth herein in its entirety. Any capitalized terms which are not defined herein shall have the meanings defined in the Master Agreement.

SCOPE OF WORK – RONALD REAGAN PARKWAY

The following is the proposed Scope of Work to develop the preliminary survey, alignment and base plans for the Ronald Reagan Parkway route from the Boone County south line to the proposed midpoint interchange at C.R. 550 South and Interstate 65. The following are the work items associated with the Ronald Reagan Parkway:

1. Preliminary Route Determination

ms consultants will meet with Whitestown and review all existing data as it pertains to the preliminary route from the Boone County south line to the proposed midpoint interchange at C.R. 550 South and Interstate 65. This data includes all past work completed by the Town including the planning and future development projects. Other data to review includes property tax maps.

2. Digital Mapping

ms consultants will prepare digital mapping in a format suitable for roadway plans. Ground control, aerial mapping and aerial triangulation will be performed to achieve the digital mapping. Features included are transportation, structures, hydrographic, recreation, utilities (above ground), vegetation and one foot contours. All mapping data shall meet National Standards of Accuracy.

3. Plan/Profile Sheet Development

ms consultants will prepare roadway plan and profile sheets at 1 inch = 50 feet that will depict the aerial survey (optional), one foot contour lines, proposed centerline alignment, proposed right-of-way limits and the existing profile grade.

4. Schedule

Weather can affect this schedule; however, upon Notice to Proceed, ms consultants will endeavor to complete the project within 90 days.

Total Lump Sum Fee for items listed above = \$50,000.00

Effective Date. The Effective Date for this Agreement shall be the date as stated at the top of the Attachment D to the Uniform Contract for Services.

IN WITNESS WHEREOF, the parties hereto have executed this Statement of Work to be effective as of the Effective Date.
